SITUATION SUMMARY

RIVER FIRE

On August 16, 2020 a fire broke out in Pine Canyon and River Rd, east of Salinas. Firefighters worked aggressively to increase containment lines overnight however, with the absence of a marine layer, the fire continued to burn actively. West winds pushed the fire downhill toward the valley in some locations. The fire burned actively in areas of grass and brush compared to areas with oak canopy. Fire danger remains elevated and everyone should continue to use extreme caution and refrain from daily activities that may spark a wildfire. [Incident Information can be found here.](#)

STATUS OF SHELTER-IN-PLACE

Effective immediately, the Governor expands the closure of indoor operations in counties that have been on the monitoring list for three consecutive days, this includes Monterey County.. Within those sectors, those that are not able to continue their business through **outdoor operations** must close that portion of their business effective immediately in order to further mitigate the spread of the virus. This applies to the following sectors:

- Gyms and Fitness Centers
- Places of Worship
- Indoor Protests
- Offices for Non-Critical Infrastructure Sectors as identified at covid19.ca.gov
- Personal Care Services(including nail salons, massage parlors, and tattoo parlors)
- Hair Salons and Barbershops
- Malls

Additionally, the Governor has expanded the closure of the indoor business operations listed below statewide. ALL counties must close indoor operations in these sectors:

- Dine-in Restaurants (indoor)
 - Wineries and Tasting Rooms (indoor)
 - Movie Theater (indoor)
 - Family Entertainment Centers (indoor)
 - Zoos and Museums (indoor)
 - Cardrooms (indoor)
- Closure of all business operations both indoor and outdoor
- Brewpubs, breweries, bars, and pubs (indoor and outdoor).

Outdoor operations may be conducted under a tent, canopy, or other sun shelter but only as long as there is only one wall and there is sufficient outdoor air movement.

These actions remain in effect until further notice.

The updated guidance can be found at <https://covid19.ca.gov/>.

STATUS OF THE STATE

Californians have been staying home and saving lives since the start of our statewide stay-at-home order issued on March 19, 2020. These efforts have allowed the state to move forward on our roadmap for modifying the statewide order.

We are now in early Stage 2, where retail (curbside and delivery only), related logistics and manufacturing and essential businesses can open. The state is issuing guidance to help these workplaces reopen safely. [More Information.](#)

Stage 2 expansion will be phased in gradually. Some communities may move through Stage 2 faster if they are able to show greater progress. Counties that have met the readiness criteria and worked with the California Department

of Public Health can open more workplaces as outlined on the [County Variance page.](#)

California moved into Stage 2 of modifying the state’s Stay-at-Home order on May 8, 2020. Our progress in achieving key public health metrics will allow a gradual re-opening of California’s economy.

We recognize the impact of economic hardship. We must get our economy roaring once again and put paychecks in people’s pockets. But the risk of COVID-19 infection is still real for all Californians and continues to be fatal.

The state is issuing guidance for businesses to follow, if they’re permitted to open per County Public Health rules.
