SUBJECT: Approval Presentation on the Proposed Budget for Fiscal Year 2022-23

Attached for discussion and direction is the Draft Proposed Budget for Fiscal Year 2022-23. The Proposed FY 2022-23 budget reflects a minimal increase in revenues as the City returns to more normal business cycle post pandemic. The operating expenditures essentially reflect a status quo budget.

All Funds Budget Summary and Discussion

This table below shows the City's budget by fund. All funds are balanced.

The General Fund is balanced as presented with no budgeted surplus for the fiscal year.

The following <u>Special Revenue Funds</u> are used to account for funds as required by law or agreement. These monies can be used only for specific purposes as noted below.

The **Gas Tax Fund** is used to account for gas tax revenues received. For FY 2022-23, the fund shows a surplus of \$24,700. These funds can be used only for street maintenance and repair purposes. The City these funds for street sweeping and street lighting. The surplus funds are available to be used as a match for grants.

The **SB1** Fund is used to account for gas tax revenues generated under SB1 otherwise known as the Road Rehabilitation Maintenance Act which can be spent only on street related purposes. For FY 22-23 staff proposes to use \$60,000 of these monies for V-Gutter Repairs.

The Measure X Fund was used in 2018-19 to pay for the major street improvements for which the city borrowed against its future share of Measure X revenues. In 2018-19 the City received an advance of \$861,300 of future Measure X revenues to pay for the City's largest street improvement project budgeted at \$1.2 million. Over the next 10 years, TAMC will withhold the City's Measure X allocation to repay the advance, therefore the City will not receive any additional Measure X funds until the \$861,300 advance is paid in full. Measure X is administered by TAMC.

The funds are reflected on the City's budget even though the City does not receive the monies, in order to track the amounts that are being paid toward the Measure X Loan.

The City has approximately \$100,000 remaining of these monies are included in the CIP for street repair projects on Via Verde and Rosita Road.

The **FORA Habitat Fund** is used to account for the monies received from FORA for the habitat management program the City agreed to manage. The funds can be spent only for this purpose.

The American Rescue Plan Act (ARPA) Fund is a new fund used to account for the estimated \$395,672 in federal monies the City is expected to receive. The budget process will consider appropriation of these one-time monies.

The following <u>Capital Project Funds</u> are used to account for funds as required by law or agreement for major capital improvements. These monies can be used only for specific purposes as noted below.

The **Prop 68 Parks Grant Fund** is a new fund to account for the grant the City received from the State. The grant is being used for park improvements.

The **SBR Engineering Fund** is used to account for the funds received from FORA for the Whitson Engineering contract for the design of South Boundary Road (SBR) which is on hold at present.

The SBR/GJM Intersection Construction Fund is used to account for the monies received from FORA for the construction of the Intersection at South Boundary Road (SBR) and General Jim Moore Road which is presently on hold.

The SBR Construction Fund is used to account for the monies received from FORA for the construction of South Boundary Road.

General Fund Budget

Below is a brief description of the General Fund revenue changes, followed by a summary of the General Fund Budget by Departments.

Revenues

General Fund revenues are estimated to decrease by \$274,379, a 6% decrease. The major reason is a decrease of \$137,000 in Sales Tax as sales tax revenue returns to prepandemic levels. FY 2021-22 had a one-time bump in sales tax as there was pent-up demand at the end of the pandemic and business started to pay the sales tax that was deferred during the pandemic. FY 2022-23 also reflects a year-over-year decrease of

\$122,179 in grant revenues for the housing grants which are expected to all be received in FY 2021-22. The budget also reflects a decrease of \$61,000 in the COP monies since the budget reflects only for the \$100,000 guaranteed amount that the City receives. The additional \$61,000 from the COP Growth allocation is available only if there is growth in the funding. For the revenue detail refer to the FY 2022-23 Proposed Budget Detail.

Expenditures

The General Fund Operating Budget shows a minimal 2.7% increase in expenditures.

Below is a General Fund summary by department followed by a brief discussion about each department.

Operating Budget	3,793,334.87	4,186,790.00	4,299,150.00	112,360.00	2.7%

Major Changes by Department

- City Council is basically unchanged.
- The City Clerk increase is due in part to new operating costs for Agenda Management (\$4,920); Document Management (\$1,500), training for staff (\$5,000) and equipment replacement (\$3,000).
- The City Manager increase is due to \$8.830 contingency amount.
- The Audit/Treasurer is basically unchanged.
- Legal has a slight decrease due to reduced legal services.
- Planning and Building reflects a decrease because the 22-23 budget does not include any funding for the Housing Element. This will presented to Council once the Housing Element costs and grant revenue are available.
- Government Building is expected to continue at the same level.
- Non-departmental is expected to stay at about the same level.

- The Police increase is due in part to a 10% COLA for police officers. Staffing continues at 10 positions which reflects one vacancy.
- Fire has slight increase per the agreement with the City of Seaside.
- The Public Works increase is due to a \$8,830 contingency and providing training for staff and a 5% COLA for Public Works Supervisor.
- Parks and Recreation increased by \$1,000 to provide funding for the Parks & Creation Commission.

For the detail to the Expenditure's refer to the attached FY 2022-23 Proposed Budget Detail.

Major Changes in Proposed Budget

The FY 2022-23 proposed budget is essentially a status-quo budget with the following changes.

Personnel costs

Personnel costs are budgeted based on the following assumptions:

- 1. 10% Cost-of-Living increase for Police only
- 2. Keeping one police officer position vacant ...
- 3. 50% increase in Worker's Compensation premiums primarily for Police due to COVID
- 4. 5% Cost-of-Living increase for Public Works Supervisor

Capital Improvements

The FY 2022-23 budget includes an estimated \$688,850 in capital projects as summarized below:

Project Description	FY 21-22	FY 22-23	Scource
Work/Portola Walkway	\$ 35,000	i i	SB 1

Totals	\$ 744,241	\$ 673,850	

Each project is included in the Budget Detail by Fund

Use of General Fund Fund Balance

At June 30, 2021, the General Fund had an available fund balance of \$1,920,736 of which \$1,652,182 was reserved by Council for Economic Uncertainties. The following table shows the estimated future available fund balance:

<u>Date</u>	Amount	
06/30/21	\$1,920,736	Actual
06/30/22	\$2,272,075	Estimated
06/30/23	\$2,272,075	Projected

The \$2,272,075 represents \$53.4% of the estimated revenues for FY 2022-23.

In recent years, the City Council prioritized the use of any year-end fund balance as follows: \$150,000 annually in the Section 115 Trust for CalPERS retirement and any additional fund balance was added to the Economic Uncertainty Fund. Since 2020, the

fund balance has not been allocated to allow for flexibility in responding to economic impacts from the pandemic.

At this time, staff recommends allocating \$150,000 of the fund balance to the Section 115 Trust. By contributing \$150,000 annually to the Section 115 Trust, the City will get back on track to funding its Unfunded Accrue'd Liability in 10 years. By placing the funds in a 115 Trust, the City does not give up full control of these monies to CalPERS, but they would be set-aside for this specific purpose. As of March 31, 2021, the City's investment in the Moderately Conservative HighMark PLUS fund was yielding a 1-year investment return of 16.98%.

As part of the mid-year budget modifications for FY 2022-23, staff will prepare for Council consideration a Fund Balance policy to guide use of the current and future fund balance. Some options for use of fund balance may include:

- Set the General Fund Economic Uncertainty Reserve at a set Percentage
- Invest additional funds in the Section 115 Trust yielding a higher rate of return
- Consider reduction of long-term debt
- Establish an Economic Development Reserve
- Fund Capital Projects

RECOMMENDATION

Receive the Proposed Budget for Fiscal Year 2022-23 presentation and provide direction on any changes to be made prior to adoption in June.

CONCLUSION

The Council's approval of this budget and supporting resolutions will continue a positive economic strategic path for the City of Del Rey Oaks.

Respectfully submitted,

John Guertin

City Manager

RESOLUTION NO. 2022-16

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DEL REY OAKS ESTABLISHING AN APPROPRIATIONS LIMIT FOR THE FISCAL YEAR 2022-2023 PURSUANT TO ARTICLE XIIIB OF THE CALIFORNIA CONSTITUTION -000-

WHEREAS, Article XIIIB of the California Constitution provides that the total annual appropriations subject to limitation of each governmental entity, including this City, shall not exceed the appropriation limit of such entity of government for the prior year adjusted for changes in the cost of living or personal income and population, except as otherwise provided for in said Article XIIIB and implementing State statutes; and

WHEREAS, pursuant to said Article XIIIB of said California Constitution, and 7900 et seq. of the California Government Code, the City is required to set its appropriations limit for each fiscal year; and

WHEREAS, the City Council of the City of Del Rey Oaks has interpreted the technical provisions of said Proposition 4 computations and has caused a technical review to be made of the documentation for the City's said appropriation limitation, and has caused the numbers upon which the City's appropriation limit was and is based to be calculated on the basis of increase/decrease in city or county population; and

WHEREAS, based on such calculations the City Clerk has determined the said appropriation limit and pursuant to Section 7910 of said California Government Code has made available to the public the documentation used in the determination of said appropriation limit;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Del Rey Oaks, California that said appropriation limit for fiscal year 2022-2023 shall be and is hereby set in the amount of \$5,343,792 for said fiscal year. The Appropriations from Proceeds of Taxes Subject to the Limit is \$2,695,015.

Therefore, the City's Appropriations Subject to the Limit are under the Appropriations Limit.

Consultant fee, plus 30% of consultant fees to cover normal staff costs, plus 15% of consultant fee as a contingency fund to cover unanticipated costs, plus duplication. These fees shall be considered advances and should the actual cost be less than the fee advanced, the excess shall be returned to the applicant; should the actual cost be more than the fee advanced, the difference shall be paid by the applicant.

Applicant shall, in addition to those fees listed in this fee schedule, pay the actual cost of legal advertising.

It is the City policy and requirement that processing of development or planning projects be fully cost recoverable. Application fees are intended to reimburse the City for minimal costs incurred for the normal or routine amount of time necessary to process applicant's requests. If additional or other unusual time in required on a particular project, then the developer/applicant will be charged for these additional costs to the City, plus a 30% administrative overhead fee.
