A MESSAGE FROM MAYOR EDELEN

The City of Del Rey Oaks is at a key crossroad in its development. On the positive side, the City currently has a lean, professional staff and city government, a balanced budget, and the best cooperative working environment in decades. Our city is also in better financial shape than most of the cities in Monterey County. However, we do face several challenges on the immediate horizon:

First, we have to complete the process of severing all ties with our former developer. It has taken 2 ½ years in a long series of court battles; but, we've finally prevailed in our law suit against him; only to have him declare bankruptcy and move disposition of the case to Federal Court. I'm confident our city will prevail; but, the time it is taking to go through the legal process is delaying our potential development and subsequent revenue stream to our city.

Second, due to the excellent ideas for development a lot of our residents have submitted, we are anxiously anticipating breaking ground on a low density, environmentally friendly project on our Fort Ord acreage that will provide badly needed funds to further improve our city. Our infrastructure such as sewer lines and roads are aging; our park needs upgrading; power lines should be put underground; and installing sidewalks with decorative street lamps would greatly enhance the appearance of our city. In addition, building a "true" downtown Del Rey Oaks complete with lighted walking trails to this destination would significantly improve our quality of life and further tie our city together.

Unfortunately, there are extreme, no-compromise, no-growth organizations that do not want any development, whatsoever, on the former Fort Ord. Right now, these groups are threatening Seaside, Monterey County and the Veteran's Cemetery; but, a recent conversation I had with a friend who is on the inside of one of these groups tells me that their ultimate goal is to stop all Fort Ord development, including our planned Del Rey Oaks development. In other words, these groups threaten the future financial viability of our city and they cannot be allowed to succeed. If you read a news article about our Fort Ord property, you can be pretty much assured that the article is based in truth. However, if you read Letters to the Editor, please do not accept the allegations in the letters as factual. A lot of these letters are designed to mislead the public as to the truth as to what is occurring on the former Fort Ord. If you have any questions about what is actually occurring, please come to City Hall before our monthly City Council meeting and speak with me directly (I'm always there early), or contact me via City Hall and I'll get back to you.

This year, I was elected Chair of both the Fort Ord Reuse Authority, and the Transportation Agency for Monterey County. As Chair of both of these key Monterey County organizations, I should be able to substantially assist our city to achieve its goals.

As always, it is an honor for me to serve as your Mayor and to continue to try to improve the city that we all love.

Thank you for your support!

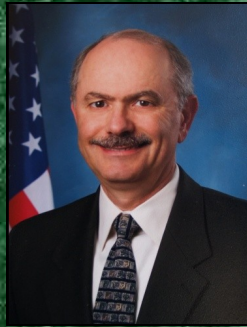

DEL REY OAKS CITY COUNCIL

Mayor
Jerry Edelen

Vice Mayor
Kristin Clark

Council Member
Dennis Allion

Council Member
Jeff Cecilio

Council Member
Mike Ventimiglia

The City Council is comprised of five elected officials. Each Council Member is elected for a four year term and the Mayor is elected for a two year term. Every citizen in Del Rey Oaks is eligible to run for office and all of our Council Members each have experience in different walks of life adding to the expertise of the Council as a whole. The City Council meets the fourth Tuesday of each month in the Charlie Benson Memorial Hall, at Del Rey Oaks City Hall at 6 p.m.

DEL REY OAKS PLANNING COMMISSION

The Del Rey Oaks Planning Commission is appointed by the City Council for a four year term. Your Planning Commission Members are responsible for keeping the look and feel of Del Rey Oaks consistent with the standards set forth by the founders. All Del Rey Oaks residents are eligible to apply to be a Planning Commissioner. The next appointment will be in July of 2013. Meetings are held the second Wednesday of each month in the Charlie Benson Memorial Hall, at Del Rey Oaks City Hall at 6 pm. Your Planning Commissioners are:

George Jaksha, Chair **Gale Weir, Vice Chair** **Mike Hayworth**
Frank Lucido Jr **Bill Thayer** **Scott Larson** **Alice Green**

FIREWORKS PROHIBITED IN THE CITY OF DEL REY OAKS

Fireworks of any type are illegal in the City of Del Rey Oaks. The Fire Danger is just too great! Please enjoy the 4th of July, and report any discharges of fireworks to the Del Rey Oaks Police Department by calling the non-emergency telephone number – 375-8525.

A Message from your City Manager Daniel Dawson

I have really grown to love this small city and the wonderful residents who call this home during the almost 4 years that I have been your City Manager!

The challenges faced by Cities and the State in the toughest economic times since the great depression have made it challenging to provide the level of services you have grown to expect from your City staff but we continue to shave costs while looking for revenue streams that will enable us to provide the services that you deserve!

As a community predominantly made up of residences we have a very limited tax base from which we derive the revenues needed to provide Street Lighting, Parks and Street Maintenance, Police and Fire Services, Building Review and Inspections, and the Administrative needs of the City. The additional revenue brought in by Safeway via the taxable items (non-food items) has been a boost to the revenue stream and the 1% Add-On sales tax approved by you as voters has made it possible to remain a viable City.

The Fort Ord Development Area has been tied up in Court with Federal Development LLC for almost 3 years but is finally almost resolved. As we select a new developer with the very best project mix on the property, that will provide the greatest long term benefits for your City, we will be asking for your input many times via Public Workshops, discussion at Planning Commission and City Council meetings.

The current City Council and Planning Commission are among the most dedicated and caring group of public servants that I have ever had the pleasure of working with! We are well positioned to lead the City toward growth and prosperity that will keep this a small City while also ensuring economic vitality into the future.

I am delighted with the solid group of dedicated law-enforcement professionals that we have now assembled to provide excellent service and protection to our residents! Chief Langford celebrated 30 years of service with the City this past year!

Finally I want to thank all of you who make Del Rey Oaks the very heart of the Monterey Peninsula. The volunteer efforts of our residents, the Citizens Action Group, and Reserve Police Officers, enables Del Rey Oaks to survive and thrive, in good times and not so good times, thank you!

**Taxi Voucher Program
RIDERS GUIDE**

Monterey-Salinas Transit (MST) has established a taxi voucher program, in conjunction with the Monterey County Regional Tax Authority (RTA), to assist seniors and persons with disabilities in accessing important locations within their community.

Scheduling A Taxi Ride

To schedule a taxi ride using an MST Senior Discount Taxi Voucher, please call one of the following authorized providers:

- Central Coast Cab – 831-626-3333
- Coastal Yellow Cab – 831-333-0533
- Green Cab – 831-757-4211
- Sal's Taxi – 831-422-7276
- Serra Cab – 831-216-2010
- Yellow Cab – 831-333-1234

When scheduling your ride, please inform the dispatcher that you will be using an MST Senior Discount Taxi Voucher.

Eligibility

If you are 65 years or older, are certified by MST's ADA paratransit program (RIDES), and you reside in one of the participating cities, you probably qualify for the program. You must also possess a picture ID from a school or other government agency to present when you request vouchers and when you redeem a voucher with an authorized taxi operator.

How it Works

Qualified persons can obtain MST taxi vouchers free of charge to travel within their local community. These vouchers will be available in the city in which you reside and you must present a picture ID when you request vouchers. Once you have vouchers, print your name legibly on the appropriate line and then sign your name on each voucher. See sample voucher below:

MONTEREY-SALINAS TRANSIT TAXI VOUCHER			
Please Present Your Picture ID To The Taxi Driver • Voucher Must Be Completed Fully and Legibly			
8001	Driver: _____		Driver: _____
	Print		Signature
	Passenger: <u>Molly Brown</u>		Passenger: <u>Molly Brown</u>
	Print		Signature
	Total Passengers: #	Date: / /	Time: : <input type="checkbox"/> AM <input type="checkbox"/> PM
	Pick Up Address:		City:
Meter Reading	Mileage	<input type="checkbox"/> Cash <input type="checkbox"/> MST-RIDES Ticket Payment	

When you are ready to ride, call a taxi provider authorized to accept vouchers in your area and give yourself plenty of extra time as a taxi may not be immediately available when you call.

Upon arrival of your taxi, you must announce your intention to use a taxi voucher and must also make a \$3.00 cash co-payment to your driver. A \$3.00 MST RIDES ticket can be presented in lieu of cash. You must also present a picture ID to the driver. The driver will make sure you have completed all information required on the voucher, including your signature. You will need one voucher for each one-way trip. The voucher is payment for the rest of your trip, regardless of the length, up to a fare meter reading amount of \$17.00. You are responsible for paying any amount above the \$17.00 metered amount. However, the voucher program is designed so that most trips will not require any payment beyond the \$3.00 co-payment.

A voucher holder may bring others along at no further charge as long as there is appropriate seating for each passenger and all are traveling together from beginning to end. You may also want to make arrangements for your return trip with your taxi driver when you arrive at your destination. On your return trip, you must present another completed taxi voucher and pay another \$3.00 co-payment. For more information please visit:

<http://www.mst.org/mobility/vouchers/>

Del Rey Oaks: It Became a City To Dodge Annexation Thrusts

(Article transcribed from original for copy clarity)

By JAY FLYNN

Mercury-News Correspondent

DEL REY OAKS — Three years ago, the tiny community of Del Rey Oaks found itself cast in the role of a mouse which is flanked by a cat and an owl, both hungry.

On May 26, 1953 — weary of fighting annexation attempts by Monterey and loath to become a part of the soon-to-be-incorporated City of Seaside — Del Rey Oaks took a big jump.

With much wrangling and amid dire predictions that it was a waste of time, money and effort, a group of citizens launched a move to incorporate the town.

After months of mass meetings, public hearings where many talked and few listened, claims and counterclaims, petitions and counter-petitions — and a last-ditch attempt to annex to Monterey by some partisans — incorporation was voted in an elections held August 25, 1953.

There were 386 registered voters qualified for the election, and 317 of them went to the polls. When the ballots were counted, incorporation had carried, 169 to 134, and a five-man City Council had been elected. And in the intervening 33 months, Del Rey Oaks has done right well for itself. The same five men — Mayor Jim Doan, Charles W. Benson, Sam DeMello, Dennis Kavanaugh and James W. Wilson — are still

land-styled City Hall and handle the official business of the town which is unique in many ways.

For one thing, it has a tax rate of only 50 cents — low enough to raise eyebrows in municipal government circles.

For another, it has money in the till, enough to keep two full-time paid employees and three part-time workers on the payroll.

Because it lies within the Seaside Sanitation District and Seaside Fire District, there is no problem with sewage disposal or firefighting apparatus.

Every street in the City has curbs — and all are better paved than most of those in Monterey or Seaside.

The city has its own police force, park department, sanitation crew and street department. All four are run by the same man, Al Schmeltz, who is equally at ease behind the wheel of the green-and-white police car or the packer-type garbage truck.

It is the only city in the County of Monterey without a cent of sales tax revenue — for one excellent reason. There is not one commercial establishment in town. Only three lots, all on Fremont Extension and so far undeveloped, are zoned for commercial use.

Thus it is an entirely Residential town, one with better-class homes perched on the gently sloping north wall of Del Rey Canyon, overlooking the heavy-forested park on the opposite side which was donated to the city by T. A. Work of Monterey.

City Hall — once a plain frame building owned by the navy and now drolled up in trim green and white and sporting a massive fireplace, is at the bottom of the canyon.

Nearby is a playground which would serve a city of much larger population well. It as built almost entirely with the donated labor of Del Rey Oaks citizens, who number about 1,500 in all.

Perhaps 25 per cent of the families are those of servicemen from Fort Ord, the Presidio or the Naval Post-graduate School. A high percentage are professional people.

Among the latter is Don Smith, who was Soledad City Attorney when the incorporation proponents brought him in to handle legal matters. He liked the town so well he stayed on as city attorney.

All this was not easily come by. When Sam DeMello launched the campaign for incorporation at a meeting of the Del Rey Property Owners Assn. just three years ago, tempers flared frequently.

After three hours of hot discussion, a secret ballot was taken. It showed 128 in favor of incorporation and 30 dissenting, favoring either joining Monterey or remaining within the then-proposed Seaside city boundary.

DeMello spoke eloquently of the high Monterey tax rate and the \$50,000 deficit which that city then faced, and of the numerous and noisy

Picture at left:

The original caption read:

BUSY MAN—

Al Schmeltz, pictured on the steps of Del Rey Oaks City Hall is a versatile chap. His official titles include police chief and superintendent of sanitation, park and street departments. At the moment he is also the entire staff of the latter three. Retired military police Major Felix V. Embree takes over policing chores three days a week.

difficulties which had attended Sea-side incorporation moves.

Circulation of petitions to call an election started immediately.

Immediately the pro-Monterey forces started drafting petitions of their own calling for annexation.

A legal horserace developed, which the incorporation group won handily, getting their petitions to the Board of Supervisors and thus nullifying the Monterey enthusiasts.

Election day gave voters a chance to vote on the incorporation itself and choose its council from a slate of nine candidates.

Two, Richard C. Campbell and Eugene E. Drucker, were outspoken foes of the incorporation. Campbell missed being elected to the first council by only five votes, and also lost out in a subsequent election.

The other two candidates on the first ballot were John J. Mahoney and William Reinhard.

Actual date of incorporation was not until Sept. 3, 1953, when the canvass of votes was filed with the Secretary of State.

That evening, the new councilmen and city officials held their first meeting, sitting at a table composed of paper-covered boards laid across two sawhorses in the William

Pachetti garage.

The first ordinance passed established the uniform building, electrical and plumbing codes, established zoning, a planning commission and assorted other civic necessities.

There was municipal rejoicing when the fledgling city wound up its first fiscal year with a net balance of \$4,300.

There was hardly anything said by the people who said it wouldn't work in the first place.

Pictured below:

The original caption read:

THE MAYOR AT HOME—

Jim Doan (seated) has been Mayor of Del Rey Oaks since the city was incorporated. A semi-retired realtor, he is pictured in his study with City Attorney Don Smith. Sticking a long nose into city business is Charley, believed to be the first dog born after the city was officially in business.

Going to the Dogs!

When using the dog park:

1. **DO NOT** let your dog off leash outside the designated Dog Park fenced in area! To do so is a violation of the municipal code and you can be cited by the Police Department if caught.
2. Bags are going missing by the box! If you see someone taking more bags than they can use in a visit, please call the non-emergency police number at 375-8525 to report it. The bag you save may be the one you need!
3. Thank you for cleaning up after your dog, it helps keep Del Rey Oaks Dog Park the best on the peninsula!

Local Police Department's Anonymous Gun Buy Back Program a Success

Your Monterey Peninsula law enforcement agencies (California Highway Patrol, California State University Monterey Bay Police Department, Carmel By-The-Sea Police Department, Del Rey Oaks Police Department, Marina Police Department, Monterey County Sheriff's Office, Monterey Police Department, Pacific Grove Police Department, Sand City Police Department, and the Seaside Police Department) completed their first Monterey Peninsula Anonymous Gun Buy Back program.

The gun buy back event was held on Saturday, April 6, 2013, from 9:00 a.m. to 5:00 p.m. at Roberts Lake, at the corner of Roberts Avenue & Canyon Del Rey in Seaside, California.

The event raised \$25,300. \$100 cash was paid for each gun turned in, limited to three (regardless of the number of firearms surrendered). The funds were totally disbursed within the first two hours of the event. A total of 319 guns were surrendered, 66 without a cash payment, consisting of:

- 131 Handguns
- 186 Rifles/Shotguns and sawed off shotguns
- 1 Assault Rifle
- 1 Sub-Machine gun

None of this would have been possible without the support and generosity of the community, and the assistance of the Seaside Police Department Volunteers in Police Services, the Seaside Police Department Cadet's, the Seaside Police Department Reserve Officers, the Del Rey Oaks Police Department Reserve Officers, the Pacific Grove Citizen Police Academy Alumni Association members, the Monterey County Sheriff's Emergency Assistance Team, and the South Bay Regional Training Academy Recruits.

ATTENTION PARENTS!

Stop By The Del Rey Oaks Police Department To Get Your Free Polly Klaas Foundation Child Safety Kit

Child Safety Kit

Teach abduction prevention without scaring your child (or yourself)

From the **Polly Klaas® Foundation**

Includes two home-use Fingerprint and DNA Documents.
For all ages.

The Polly Klaas® Foundation is a nationally recognized authority in the field of missing children. We help find missing children and prevent children from going missing in the first place.

When you hear scary statistics remember:

99.8% of the children who go missing do come home*

- **90%** of missing children have simply misunderstood directions or miscommunicated their plans, are lost, or have run away.
- Of the remainder, **78%** are kidnapped by a family member in a custody dispute.
- Of the remaining **22%** who are abducted, more than **60%** of the time it's by someone the child knows.
- **Only about 100** American children are kidnapped each year in the stereotypical stranger abductions you hear about in the media. And **about half** of these 100 **come home**.

The truth

Traffic hazards are a much greater danger to your child than a kidnapper. All parents teach their kids how to cross the street. It's no big deal. We give them the rules and help them practice until they show us they **know** what to do and can be trusted to **do it**.

Here's the good news

We can teach kids what to do if lost or approached by someone questionable in the same way we teach them how to cross the street. This kit will show you how.

We'll start with what to do if they are lost. Turn to the "What if" game—a game to teach safety without scaring your child (or yourself).

*National Incidence Studies of Missing, Abducted, Runaway and Thrownaway Children, 2002, U.S. Department of Justice

Teach abduction prevention without scaring your child (or yourself).

This kit includes two home-use Fingerprint and DNA documents. For all ages.

Citizens Action Group

New Member Pizza Party

MONDAY, JUNE 17th at 6:15 p.m.

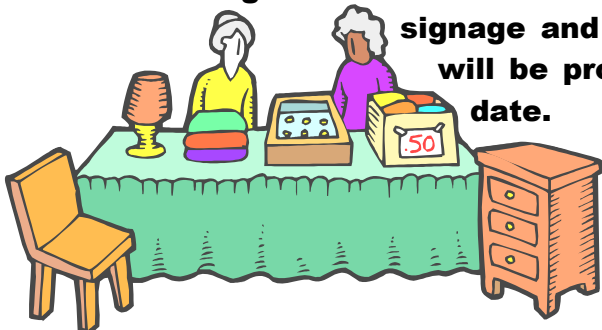

The Del Rey Oaks Citizens Action Group is having a prospective new member pizza party at the Old Town Hall in the park. Anyone interested in learning about how you can help at

any of our City events is encouraged to attend. There is no obligation. If you can volunteer even an hour of your time, it would be much appreciated. For more information, please contact Jerry Edelen at 394-9087.

Community Garage Sale

SATURDAY, JULY 20th from 8:00 am - 2:00 p.m.

This is an excellent opportunity to find a new home for your unwanted treasures. Folks will come from far and wide, and right around the corner to check out your finest goods. Register with Garage Sale George or one of his crew to get your official Sale signage and selling tips. More information will be provided as we get closer to the date.

(831)394-1968 email: delreyoakscag@yahoo.com

Citizens Action Group

Annual Picnic in the Park

SUNDAY, SEPTEMBER 15th from 12:00 p.m. - 3:00 p.m.

This year Del Rey Oaks will celebrate its 60th birthday!

Don't miss this year's birthday festivities complete with BBQ, bounce houses, entertainment, raffle prizes, games, fire fighter demonstration and birthday cake. Come join in the fun!

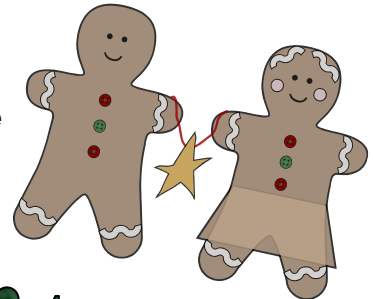

Santa's Workshop

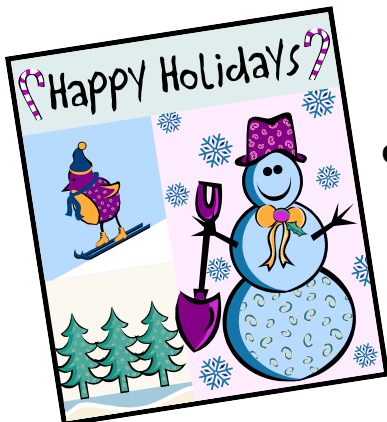

SUNDAY, DECEMBER 8th from 12:00 p.m. - 2:00 p.m.

This free event is a holiday tradition for many locals.

Kids young and "not so young" are invited to make some crafts, decorate a cookie and sit on Santa's knee.

Holiday Visits

The Del Rey Oaks Citizens Action Group visits our elderly residents who do not have immediate family members during the holiday season and brings them festive baskets and provides them with company. If anyone knows of residents who could benefit from a holiday visit, please contact Kristin Clark at 394-6958.

(831)394-1968 email: delreyoakscag@yahoo.com

Citizens Action Group

The Del Rey Oaks Citizens Action Group is made up of Del Rey Oaks residents that care about the future of the city and love making it a beautiful and fun place to live. They volunteer only one hour a month on average and meet the third Monday from 6:15-7:00 p.m. at Old Town Hall to discuss ideas and upcoming events such as the community garage sale and annual picnic. If you would like to be part of this worthwhile group they are always looking for new faces to join in the fun. For more information call George Jaksha at 394-1968 or email at delreyoakscag@yahoo.com.

PLEASE DON'T FEED THE WILD LIFE!

We all know squirrels and raccoons are cute but they also carry a lot of disease and attract bigger wild animals

like bobcats and coyotes! These wild animals will in turn kill or injure our domestic pets like cats and dogs. We've had reports of missing pets and destroyed property, so bobcats, coyotes, turkeys, raccoons and other wild animals are here in Del Rey Oaks.

Please help protect our furry friends, neighborhoods and property by not leaving food out over night or feeding any wild animals at home, in the park or at the Frog Pond!

2013 Clean-Up Days are Del Rey Oaks May 6 and October 7

On your regular pick-up days of Monday, May 6th and October 7th you may leave up to seven additional bags or seven 32-gallon garbage cans in addition to your regular garbage. Make sure bags and cans are secured and at the curb with your regular garbage by 6:00 a.m. Please NO bulky items (such as furniture, water heaters or refrigerators) unless you have pre-arranged a pick up for a large item with Waste Management at (831) 384-5000 and NO Hazardous waste!

If the items you're throwing away are reusable, consider donating them to local charities, or holding a yard sale with your neighbors for extra cash. Also, check if any of the items are approved to be set out with your recyclables. Remember, reusing is another way of recycling.

Waste Management now offers smaller trash cans for easier handling. Call 384-5000 for information.

HAVE A QUESTION OR CONCERN? WHEN IN DOUBT CALL CITY HALL [394-8511](tel:394-8511) OR THE NON-EMERGENCY POLICE LINE AT [394-9333](tel:394-9333) or [375-8525](tel:375-8525)

There is an RV parked on the street and it never moves!

The Del Rey Oaks Municipal Code states in part:

No person who owns or has possession, custody or control of any vehicle shall park such vehicle upon any street or alley for more than a consecutive period of seventy-two (72) hours and RV's may only park on improved driveways.

Why are my neighbor's garbage cans out for a week?

The Del Rey Oaks Municipal Code states in part:

It is unlawful for any persons to allow garbage or refuse container(s) to remain at the curb for a longer period of time than twenty-four (24) hours prior to the date of collection, or for a longer period of time than twenty-four (24) hours after collection.

My neighbor's dog never stops barking! It's waking me up and I have to work in the morning!

The Del Rey Oaks Municipal Code states in part:

It is unlawful to keep any dog which by reason of its barking, howling, yelping or other noise habitually disturbs the peace any person!

Did my neighbor get permission to cut down/trim that tree?

The Del Rey Oaks Municipal Code states in part:

Any person desiring to remove, cut down, destroy, alter, relocate, prune and/or trim, or otherwise undertake activities which could inflict damage to an oak or other significant tree, shall first obtain a tree permit from the City. (\$25)

There is construction going on down the block, did they get a permit?

Call City Hall (394-8511) to find out if you need a permit before you begin any construction or repairs!

These permits are issued for your protection! A permit issued to a contractor ensures that they are licensed and carry the required insurance to protect you and your home. An inspector checks their work throughout construction to ensure it's built correctly.

Can I put concrete or a metal grate at the bottom of my driveway?

The Del Rey Oaks Municipal Code states in part:

All driveway approaches shall not obstruct or endanger the normal and customary pedestrian and vehicular traffic and the normal flow of water. They are very dangerous for kids on bicycles. City Hall offers simple plans to correct your driveway approach with your concrete contractor.

Storm Water Concerns

The City of Del Rey Oaks is a permitted member of the Monterey Regional Storm Water Management Program (MRSWMP).

One of the regional storm water permit program responsibilities is to properly manage urban runoff and storm water that drains into the Monterey Bay via the storm drain system, and to prevent pollutants entering the storm drain system (oil, carpet cleaning wastewater, auto detailing soaps and rinse water, restaurant mat and trash area wash down, pesticides/fertilizers from landscapes, etc).

ALL storm drains flow directly to either the Monterey Bay or other water bodies throughout the area; they do not go through a treatment process prior to draining to the sea water bodies. Only rain should go into storm drains.

Del Rey Oaks is also responsible for implementation of the City's annual storm water program, with assistance from our regional program manager, and compliance with the State's storm water regulations utilizing best management practices (BMPs) to meet measurable goals outlined in our adopted storm water plan.

You as our residents have a crucial role in our Storm Water Program. These include:

-  Report any foreign liquids or solids you see in the City gutters or streets, or entering the storm drain system to the Police Department at 831-375-8525. Some examples would be paint, fuel, concrete wash off, sewage & debris, including litter, etc. Also report anyone you see dumping fluids or sweeping lawn debris/leaves into storm drains.
-  If you see any liquid coming out of a manhole, report it immediately to the Police Department.
-  Please keep the gutter in front of your home free of leaves, pine needles and other debris, minimize the usage of pesticides or fertilizers, and minimize lawn irrigation to prevent runoff and water waste.
-  Do not change the oil or other fluids of your vehicle in the street and ensure your car does not leak oil onto the street (if parked on the street)
-  Move your vehicle out of the street on street sweeping days (Usually the first Wednesday of each Month).

DEL REY OAKS CITY CALENDAR

**Street Sweeping Day - Move vehicles off street before 6 a.m. or night before. Note: Dates may change due to weather or unforeseeable mechanical issues if this occurs sweeping will be the following Wednesday.*
