NEW BUSINESS:

Discuss Need to Revise the City of Del Rey Oaks Sign Regulations, including Ordinance #251, and Municipal Code Chapter #17.59. Discussion Item Only.

Chairman Donaldson: Has done review of City of Monterey and City of Carmel sign ordinance and compared them to Del Rey Oaks. Carmel is silent on regulation of residential signs. Monterey updated ordinance because it was out of date and they had huge issues with the amount of signs that were being put up on public property. Talks further about “signs not regulated” section of the DRO ordinance.

City Attorney Lorca: Information only with no decisions tonight. Once it is on the agenda he will do frame work of what we can and can’t regulate.
Commissioner Kreeger: Sustainable Monterey had big problems with the amount of signs placed in Monterey. Last election it got out of hand in DRO. There is great information on League of California Cities website too. Baldwin vs. Redwood City: “a person has a right to hang signs”. Redwood City came up with regulations similar to Monterey with generous limits. He looked into it, it’s already been tested in court. John Gaglioti won’t take his signs down, it’s his right and he agrees.

Commissioner Jaksha: High efficiency lighting should be required. Should be 4 feet from the curb. During development on Ft. Ord will need this ordinance in place.

Commissioner Hallock: Wording in ordinance is confusing. We are saying 4 feet but the ordinance says 5 feet from the curb. Points out a typo. The DRO ordinance is tight.

Commissioner Jaksha: What is the set back?

Commissioner Hallock: Reads “at least 5 feet from any property line”, 4 is the minimum.

Chairman Donaldson: A lot of variance with no standard can be problematic because of property line’s that vary.

Commissioner Hayworth: Ours is in good shape, but doesn’t address content. Last election, problems with signs being in the center of the road, in islands.

Chairman Donaldson: No posting on City owned property is consistent with other cities.

Commissioner Burton: Was there a triggering issue that started this issues?

Commissioner Kreeger: Several signs getting removed last election.

Commissioner Hallock: Signs up for 60 days of scheduled event on private property must be removed 5 days after event.

Chairman Donaldson: Reads it: “Time Limitations. Signs regulated by this section may be posted not more than 60 days prior to an event to which they pertain. All such signs must be removed within five days after the event to which they pertain or within 65 days of their initial posting whichever occurs first”.

City Attorney Lorca: Courts have stricken the limitation of before and after.

Commissioner Jaksha: The “no road in DRO” signs have been up for 4 month and look tacky.

City Attorney Lorca: A limit of once the sign is down, it can it go back up. City discretion.

Commissioner Hallock: What about mobile signs, advertisement on vehicles, should there be something added? Can someone have a political sign on car with business sign?

Chairman Donaldson: Not addressed in current code.

City Attorney Lorca: Great question.

Commissioner Jaksha: Then you get into bumper stickers.

Commissioner Hayworth: Hand held signs are allowed.

Chairman Donaldson: The window by the bay is regulated now.

Commissioner Hallock: Seems like there would be issues with traffic flow with signs that ask to honk for your support, etc.

Commissioner Hayworth: Tax prep business signs, a distraction.

Commissioner Burton: How much will it cost, the fees should be as low as possible, limit the fees so rights are protected.

Chairman Donaldson: Temp signs are exempt from fees.
Commissioner Hayworth: Chart was good in Monterey ordinance.
Commissioner Burton: Chart with pictures and a generalized diagram is great!
Commissioner Keeger: Reasonable time limits.
Commissioner Jaksha: All it takes is one wacky guy, so much for the reasonable person.
Commissioner Keeger: Will be codified with limit and be very clear.
City Manager Pick: This will be a code update. General intent of Commission will be to revise the ordinance. Make recommendations tonight and bring it back for consideration at the next Planning Commission Meeting.
Commissioner Burton: Props at meeting would be helpful, to give an example of what 8 square feet looks like. Asks the City Manager what is the forcing function?
City Manager Pick: With election session here, issues and complaints on both sides, thought it was time to look at our sign ordinance. Code enforcement is now in place, unlike last election. The City has the tools now to keep the processes in place.
Commissioner Keeger: John Gaglioti's signs are illegal, has he been cited?
City Manager Pick: So are the "No Road in DRO" signs.
Commissioner Keeger: Supports John's decision. Didn't realize that "No Road in DRO" signs are illegal. Will talk to everyone. Talks about 1st amendment rights.

PUBLIC COMMENTS:

Douglas McKenzie, Saucito: Ordinance is vague and absurd to ask for a sign to be put 5 feet from property line. Alice and he were extremely upset when the sign was removed during last election and sent emails to the Council and City Manager. Supports any change.

Commissioner Keeger: Why aren't signs allowed on fences?
Commissioner Burton: Exception to every rule, get Planning Commission approval to the exceptions.
Commissioner Keeger: There needs to be a mechanism to apply for it.
Commissioner Jaksha: A variance.
Commissioner Hayworth: C.U.P. is required. Why no signs on fences?
City Attorney Lorca: Health and Safety mostly because of distraction.
Chairman Donaldson: For DRO: 8 square feet (free standing only) is 2 standard signs or 1 big one. For Monterey: 80 square feet (free standing only) is 5 4x4 signs or 20 2x2 signs. DRO doesn't mention fences. DRO mentions 60 days before event and down after 5 days from the event. Monterey mentions 47 days from when it goes into the ground.
Commissioner Keeger: There isn't an event with the "No Road in DRO" signs.
Chairman Donaldson: Commercial no limit in Monterey on vacant lots. On Hwy 218 or 68 commercial signs need a permit from Cal Trans.
City Attorney Lorca: Our ordinance can't regulate signs on State Highways.
Chairman Donaldson: Suggests the following to be put on the agenda for next meeting: Would like staff to focus on size, allowing for more square feet for temp signs, stay in tempo with Monterey ordinance with a chart. Look at temp sizes, time limit, no fee, hand held signs, vehicle signs with an eye toward safety and simplistic as possible.
Commissioner Hayworth: How many “No Road in DRO” signs? What about the message of the signs, should that be addressed?
Commissioner Kreeger: A lot of people have them.
Commissioner Hallock: It’s up to the property owner, it’s subjective.
Commissioner Kreeger: Under 8 square feet hard to enforce. But it should be geared toward the property, not the message.
Chairman Donaldson: Wants staff to look at 5 foot from the property line variable, do we need it? Signs facing 218? Free standing only and signs in windows?
Commissioner Kreeger: Set back less restrictive for public safety issue. The Chief can help with this part.
Commissioner Jaksha: How about an Ad-Hoc Committee to do a “what’s legal and what isn’t” illustration.
Commissioner Hallock: Its 4 feet from the back of the curb.
Chairman Donaldson: Uses his own property as an example and explains set back from the street. Room for sidewalks, etc.
Commissioner Kreeger: Keep them out of the street, make it safe.
Chairman Donaldson: Standard set back is from the street.
Commissioner Jaksha: From the fence?
Commissioner Hallock: 9 or 10 feet from the curb, would make it clearer.
Commissioner Kreeger: A lot of push back at City Council if that was the case.
Chairman Donaldson: Eye toward safety and simplistic as possible. Potential issues being an election year. Asks staff to provide a revised ordinance at the next meeting.

COMMISSIONER REPORTS:

Commissioner Hallock: Looking forward to the Planning Commission Academy in Sacramento.
Chairman Donaldson: Will be there too!
Commissioner Kreeger: Going for 2 days and looking forward.

7:20 p.m., Adjourned to next meeting date March 11, 2020 at 6:00 pm.

DATE: March 11, 2020

TO: Planning Commission

FROM: Alex J. Lorca, City Attorney

SUBJECT: City of Del Rey Oaks Sign Ordinance (Municipal Code Chapter 17.59)

CEQA: This action does not constitute a “project” as defined by the California Environmental Quality Act Guidelines section 15378.

Recommendation

Review the attached revised Sign Ordinance (found at Del Rey Oaks Municipal Code Chapter 17.59), exercise discretion with regard to design criteria, and if desired, recommend Sign Ordinance revisions to the City Council.

Background

At its February 12, 2020 meeting, the Planning Commission asked the City Attorney to provide suggested revisions to the City’s Sign Ordinance from a legal perspective, including provisions clarifying the City’s enforcement options. The City Attorney’s suggested revisions are attached hereto as Attachment 1. As directed by the Planning Commission, the City Attorney has consulted the City of Monterey’s recently revised sign ordinance to provide suggested formatting for the ordinance, sample design criteria, examples of prohibited signs, and examples of signs exempt from permitting and review requirements.

Proposed deletions are shown in strike-through, proposed additions are shown in bold italics.

With a legal framework in hand, the Planning Commission can now exercise its discretion to review design guidelines for signs within the City, determine the type of signs to be prohibited within the City, and determine the type of signs to be exempted from permitting and review requirements.

Fiscal Impacts

There is no fiscal impact with regard to this action.

Recommended Action

Review the attached revised Sign Ordinance, exercise discretion with regard to design criteria, and if desired, recommend Sign Ordinance revisions to the City Council.
Respectfully Submitted,

Alex Lorca,
City Attorney

ATTACHMENTS:

1. Revised Sign Ordinance for Use by the Planning Commission
CHAPTER 17.59 – SIGNS

17.59.010 - Purpose and intent.

It is the purpose and intent of this Chapter to provide the City of Del Rey Oaks with a viable and practical set of sign regulations that will: promote the orderly growth of the community; facilitate the continual upgrading of the community; preserve the natural beauty of Del Rey Oaks while simultaneously protecting the rights of property and business owners to display signs and the right of individuals to live, work and visit a city that is free from the usual blight that would result from under or non-regulation of signs.

These sign regulations, pursuant to the provisions of the Del Rey Oaks General Plan, set forth the minimum acceptable standards necessary to protect and safeguard the life, peace, health, safety, property and general welfare of the public by regulating among other things the location, placement, size, number, area, type, illumination and maintenance of signs and sign structures.

In addition to the standards specified above, it is hereby set forth that a primary goal of these regulations shall be to insure that signs and sign structures are considered in light of the architectural and landscape design of the buildings and properties along with individual setting or location of the buildings and properties; and to avoid visual clutter and out of scale impacts. Signs should, where possible, encourage and enhance a village-like atmosphere with the emphasis being on the use of wood signs, as appropriate.

17.59.020 - Application.

No sign shall be placed, displayed, painted, posted, printed, tacked, fastened, erected, relocated, constructed or otherwise except as provided in this Chapter.

17.59.030 - Responsibility.

It shall be the sole responsibility of the person making application to place, construct, erect, alter, relocate, tack, fasten, paint, post or display any sign in the City of Del Rey Oaks to obtain the necessary authorization from the owner or lessee of the property.

17.59.040 - Planning commission approval required.

Planning Commission approval shall be required of all signs unless otherwise specified in this Chapter. A fee shall be collected by the City Clerk prior to consideration of any sign by the Planning Commission. The fee shall be established from time to time by Resolution of the City Council.

In order to facilitate the Planning Commission approval process, any person seeking to obtain Planning Commission approval shall submit accurate plans, scale drawings, color boards, examples of materials or any such other information specified by the City Manager showing the size, shape, location, color, materials and physical relationship to the site of the sign and sign structure. Any decision of the Planning Commission may be appealed, in writing, to the City Council within 20 days of the decision.
During the course of review and approval, the Planning Commission or the City Council on appeal may approve, disapprove, conditionally approve or modify the plans as submitted in order to insure compliance with the spirit and intent of this Chapter.

17.59.050 - Sign permit required.

In order to ensure that the Planning Commission is provided with an opportunity to review the placement, construction, erection, relocation or alteration of any and all signs in the City of Del Rey Oaks, it is required, unless otherwise specified herein, that a sign permit shall be obtained from the City Clerk prior to the placement, construction, relocation, alteration or otherwise erection of the sign.

Any person seeking to obtain a sign permit shall provide the City Clerk with any and all necessary detailed plans, scale drawings or other materials and samples or information required by the City Clerk along with written evidence that Planning Commission approval has been obtained for the sign. Following a review of the materials and design submitted, the City Clerk may issue the sign permit or, if appropriate shall, require that a Building Permit be obtained pursuant to the provisions of the Uniform Building Code (UBC) in lieu of a sign permit. A fee shall be collected by the City Clerk prior to the issuance of any sign or building permit. The fee shall be the same as for a minor use permit and shall be established from time to time by Resolution of the City Council. The fee for a building permit shall be as specified in the City’s Master Fee Schedule. UBC.

17.59.060 - Enforcement.

The regulations contained in this Chapter shall be enforced as are other zoning, building and safety regulations as set forth in the Del Rey Oaks Municipal Code, which may include, without limitation, enforcement pursuant to Chapters 1.16 and 1.19.

Any sign not in compliance with this Chapter is hereby declared to be a public nuisance and may be abated pursuant to the provisions of Sections 8.28.050 through 8.28.200.

Each sign installed, created, erected or maintained in violation of this Chapter shall be considered a separate violation.

17.59.070 - Remedies.

Notwithstanding, the procedures for enforcement set forth in the Del Rey Oaks Municipal Code, the City of Del Rey Oaks is hereby authorized to enforce this Chapter proceed in any other fashion, way or procedure permitted by law.

17.59.080 - Exemptions.

The provisions and regulations of this Chapter shall not apply to the following signs provided, however, that the following signs shall be subject to all safety provisions contained in this Chapter:

A. Official signs and notices, public utility signs, public directional signs;
B. Professional nameplates not exceeding three square feet in area;
C. Temporary (30 day) signs of a directional nature approved by the City Manager;
D. Emergency, public service or other temporary (30-day) non-advertising signs as approved by the City Council;

E. Memorial signs on tablets, names and dates of buildings when cut into any masonry surface or when flush mounted and constructed of bronze or other noncombustible materials;

17.59.090 - Nonconforming signs.

Any permanent sign lawfully existing prior to the adoption of the ordinance codified in this Chapter and not conforming to the provisions of the ordinance codified contained in this Chapter is declared to be a lawfully legal nonconforming sign and may remain as such.

No such nonconforming sign shall in any way be altered, relocated, replaced or reworded unless the sign can be made to conform to all provisions of this Chapter. Nothing in this section shall be construed to prohibit the normal maintenance and repair of lawfully nonconforming signs.

Failure of City staff to notify the property owner and/or the operator of a non-conforming sign does not authorize the continued use of the sign or release the property owner and/or operator from compliance with this section.

17.59.100 - Maintenance and construction provisions.

A. Applicable Standards. The appropriate sections of the Uniform Building Code (UBC), the Uniform Electric Code (UEC) or any amendment thereto adopted by the City of Del Rey Oaks shall apply to the construction, placement, or display, maintenance, and repair of signs in the City of Del Rey Oaks. All signs shall be installed and maintained indefinitely as shown on the approved plans, unless a formal request for revision or alteration is approved by the Planning Commission.

B. Prohibited Construction. All signs having internal or built-in illumination shall be constructed wholly of noncombustible materials or other such fire resistive materials as approved by the Planning Commission. Guide wires or exposed strut-like sign structures shall not be utilized. Signs and sign structures shall at all times be maintained in a state of good repair including all braces, bolts, structural parts, supporting frames and fastenings.
C. Sign Removal. When wall mounted signs are removed, the wall behind the sign shall be repaired and painted to match the rest of the wall within thirty (30) days of the date of the removal.

D. Regular Maintenance. No permit shall be required for repainting, cleaning or other normal maintenance and repair of a sign unless the structure, design, size, color location or character is altered.

E. Duration and Extension.
