## 706.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the approval, acquisition, and reporting requirements of military equipment (Government Code § 7070; Government Code § 7071; Government Code § 7072).

The Del Rey Oaks Police Department (DROPD) does not possess any qualifying tactical equipment that it has obtained from the military, nor does it possess any equipment that was designed for military use. Regardless, California Government Code § 7071(b) requires that law enforcement agencies submit a proposed Military Equipment Use Policy to their governing board for approval. California Government Code § 7070 provides a list of equipment types that are considered to be "military equipment" for purposes of this policy requirement, and this Military Equipment Use Policy includes information for any such equipment types that are possessed by the Del Rey Oaks Police Department, or reasonably likely to be deployed in Del Rey Oaks by other law enforcement partners.

### 706.1.1 DEFINITIONS

Definitions related to this policy include (Government Code § 7070):
